The manga workshop

Two hours with a working manga artist, English interpreter in the room.

G-pens, ink, screen tone and manuscript paper are provided. Nothing to bring.

Nicholas draws his own character and a four panel comic, and takes the pages home.

Both the 13:00 and the 15:15 classes are open on December 20. The school recommends 13:00 for families; 15:15 is its advanced class. Classes start exactly on time, so we arrive five minutes early.
